This is a non-profit sale, all proceeds go to Bob's widow.

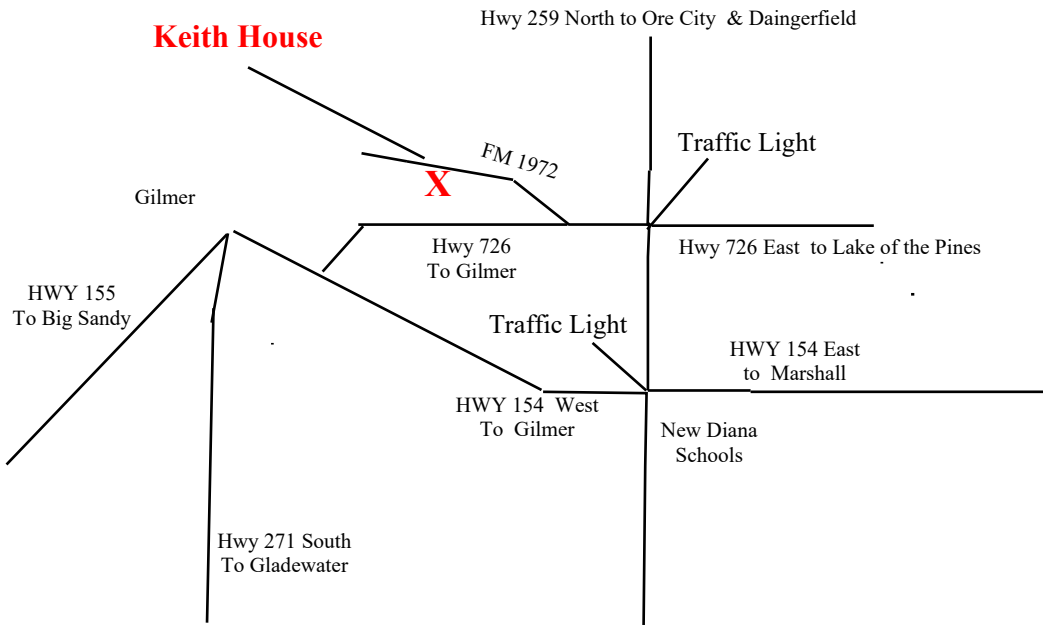

Bob, W5ROE of Garland, Texas became a SK last year. His widow and good friend asked us to help sell Bob's large inventory of NOS stock and equipment.

This sale is the result of lots of sorting and arranging many NOS components which are too good to just discard. This rare estate sale has a variety and quality of items seldom seen at Hamfests.

Prices are marked on key items, others negotiable, bargains may be even had and large amount of used items available FREE with a small donation appreciated, if desired.

1/3 more items have been added, from the last trip, to the previous flyer. **Click on pics for full view.**
